Welcome & Thank You

FROM JOHN HUBER

Good evening, and welcome to Emerson's World of Possibilities!

Tonight, we come together to celebrate, to dine, to dance, and to enjoy each other's company. And our collective revelry serves a greater purpose! With your support and active bidding, we advance the work of Emerson in educating gifted young minds. We are here to ensure that our many students receive the best possible education, thus enabling them to reach their full potential. As any wise financial advisor will tell you, investing early will pay the greatest dividends. Your contributions, donations, and bids fund both our ongoing programmatic initiatives and our robust financial aid program. These in turn support all of our students. As your Head of School, I am deeply appreciative.

We have a world of faculty, staff, and volunteers who have helped make this event possible. Please take a moment, right now (unless you're in the middle of the live auction!) to say a word of kindness for their hard work and effort. Many special thanks are due to Emerson's outstanding **Auction Leadership Team** listed on page 4, including our Honorary Chairs **Christine and James Kim**, Parent Director **Diana Rooks**, and development staff **Beth Anderson, Lorna Hildebrandt, and Julie Seagraves**. Please also be sure to recognize our many enthusiastic sponsors and advertisers listed throughout the program. These generous individuals and organizations contribute to Emerson time and time again.

So please join me in frequent and exuberant bidding, because tonight is not a night for bargain shopping! Your bids will double your return—not only will you win your chosen auction items, you will also bask in the warm, philanthropic glow of knowing that you have helped Emerson's students. On their behalf, I thank you!

John Huber
Head of School

Bidding Tips

- Look through the catalog before attending the Auction and mark the items that interest you.
- You may join others to bid on an item. For example, three couples may want to bid together on a dinner for six. (If you use this option, please inform the cashier when you check out for the evening.)
- Most dining gift cards exclude alcohol and gratuity. Expiration dates are noted when available.
- Please bring your catalog to the Auction. We will be happy to recycle it for you at the end of the evening.

Rules and Regulations

- Auctioneer reserves the right to announce conditions of sale at any time. Statements or corrections made in regard to lot descriptions during the sale take precedence over printed material.
- Descriptions and restrictions are accurate as known at time of publication. Although the utmost effort has been made to accurately describe the items, Emerson School shall not be responsible for correct description, authenticity, or any defect in any item and makes absolutely no warranty of any kind.
- All sales are final. No allowance will be made, or sale set aside, on account of any error in cataloging or imperfection or damage not noted. All goods being exposed for public exhibition are sold "as is" and without recourse.
- Families may bid on vacation opportunities, condos, and/or summer homes for their own use exclusively. Purchasers are bound by the precise restrictions specified by the donors. Security and cleaning deposits, when required, shall be paid directly to the donor or the donor's representative.

OPTIMUM HEALTH

When you were young, your body was in its native, healthy state. As time goes on, various toxins and poor food choices degrade your health and inhibit your ability to heal. Chronic disease, symptoms, and doctor's visits are the result. We can direct you back to your body's native state. Call 734.302.7575.
