Welcome & Thank You

FROM JERRY LOEWEN

Dear Emerson School Community Members,

I am honored to welcome you this evening to our annual auction as we Spotlight Emerson School. Your presence here shines a bright light on the enthusiastic support and partnerships that have been integral to our school's great success over its 41-year history.

Tonight is a celebration of our community, past, present, and future. Thanks to your generosity, tonight will be a wonderful fundraiser, but also an even grander "friend-raiser." The relationships between our parents and our teachers, between our students and their teachers, and amongst our parent and alumni bodies are at the center of our celebration and the core of our mission. We are all a part of Emerson School, and it is this unique school community we celebrate tonight.

So, I thank you for coming to the party. We hope you will participate in the Auction by bidding on silent auction and live auction items, trying your luck in the raffles and the wine pull, and raising your paddle for financial aid. But, most of all, we hope you will have a great time tonight celebrating the success you have helped bring about and the exciting future we will build together.

Thank you,

Jerry Loewen
Head of School

Bidding Tips

- Look through the catalog before attending the Auction and mark the items that interest you.
- You may join others to bid on an item. For example, three couples may want to bid together on a dinner for six. (If you use this option, please inform the cashier when you check out for the evening.)
- Most dining gift cards exclude alcohol and gratuity. Expiration dates are noted when available.
- Please bring your catalog to the Auction. We will be happy to recycle it for you at the end of the evening.

Rules and Regulations

- Auctioneer reserves the right to announce conditions of sale at any time. Statements or corrections made in regard to lot descriptions during the sale take precedence over printed material.
- Descriptions and restrictions are accurate as known at time of publication. Although the utmost effort has been made to accurately describe the items, Emerson School shall not be responsible for correct description, authenticity, or any defect in any item and makes absolutely no warranty of any kind.
- All sales are final. No allowance will be made, or sale set aside, on account of any error in cataloging or imperfection or damage not noted. All goods being exposed for public exhibition are sold "as is" and without recourse.
- Families may bid on vacation opportunities, condos, and/or summer homes for their own use exclusively. Purchasers are bound by the precise restrictions specified by the donors. Security and cleaning deposits, when required, shall be paid directly to the donor or the donor's representative.

Restaurant Raffle

This year, two lucky winners will split more than \$1,200 in Ann Arbor area restaurant gift certificates. Each winner will go home with approximately \$600 worth of local and widely varied dining opportunities.

Try a new “hot spot” or re-visit a favorite haunt...the restaurants in this raffle include a wonderful variety of ethnic cuisines and higher-end dining experiences. A final list of all gift certificates included in the raffle will be available the week prior to the Auction and at the Auction, but some you won't want to miss are The Earle, Mani Osteria, and Mac's Acadian Seafood Shack.

The winning tickets will be drawn at the Auction. There is no limit to the number of chances you may purchase, and you need not be present at the Auction to win. This Raffle is open to everyone...feel free to ask for tickets to offer to family and friends.

Pre-sale tickets may be purchased for \$20 each from Joan Gregorka and Deborah Hodges in the Lower and Middle School Offices, from our After Care staff, or from raffle volunteers. Check, cash, or credit cards accepted. Tickets may be purchased at the Auction. Most restaurant gift certificates do not include alcohol or gratuity and some come with expiration dates or restrictions. Raffle ticket purchases are not tax-deductible by law.

Teacher Experience Raffles

Give your child the gift of time with his/her favorite teachers. Each \$10 ticket buys a chance at a great teacher-student activity. After purchasing your ticket, place it in the box for the teacher experience in which you are interested. Some teacher experiences have grade restrictions and boxes are marked accordingly.

Winning tickets will be drawn at the Auction. Winners will be listed at checkout and at the School the following week. There is no limit to the number of chances you may purchase, and you need not be present at the Auction to win.
