# Welcome & Thank You

**FROM JOHN HUBER**

To Our Emerson Friends and Family Members,

Welcome to our annual auction! What better way to break out of the winter blues than to come together on a starry night for an incredible evening of dinner, drinks, music, dancing—and, of course, lively bidding. I am so pleased to have you join us this evening for our celebration, and I am certain that you will have a fabulous time.

As wonderful as it is to get together to celebrate, regardless of the reason, I want to remind you that this party has a purpose. By taking part in our auction this evening, you are supporting the bright minds and brilliant futures of Emerson's many talented students. We are here to ensure that they continue to receive the best possible education. Your donations and contributions fund both our programmatic initiatives and financial support to those most in need. We simply couldn't do it without you!

We also could not enjoy this convivial gathering without the outstanding efforts of our staff and volunteers. This evening, please take a moment to find one of these people and join me in thanking them for all they have done to make tonight possible. Many, many thanks as well to all of our generous auction sponsors and advertisers listed in your program.

One last reminder—this is not a night for bargain shopping! To paraphrase an old saying, bid early and bid often. Aim for the stars! On behalf of the students and staff at Emerson, I thank you for your stellar support.

Thank you,

John Huber  
*Head of School*

## Bidding Tips

- Look through the catalog before attending the Auction and mark the items that interest you.
- You may join others to bid on an item. For example, three couples may want to bid together on a dinner for six. (If you use this option, please inform the cashier when you check out for the evening.)
- Most dining gift cards exclude alcohol and gratuity. Expiration dates are noted when available.
- Please bring your catalog to the Auction. We will be happy to recycle it for you at the end of the evening.

## Rules and Regulations

- Auctioneer reserves the right to announce conditions of sale at any time. Statements or corrections made in regard to lot descriptions during the sale take precedence over printed material.
- Descriptions and restrictions are accurate as known at time of publication. Although the utmost effort has been made to accurately describe the items, Emerson School shall not be responsible for correct description, authenticity, or any defect in any item and makes absolutely no warranty of any kind.
- All sales are final. No allowance will be made, or sale set aside, on account of any error in cataloging or imperfection or damage not noted. All goods being exposed for public exhibition are sold “as is” and without recourse.
- Families may bid on vacation opportunities, condos, and/or summer homes for their own use exclusively. Purchasers are bound by the precise restrictions specified by the donors. Security and cleaning deposits, when required, shall be paid directly to the donor or the donor’s representative.

## Restaurant Raffle

Two lucky winners will split more than \$1,000 in Ann Arbor area restaurant gift certificates. Each winner will go home with approximately \$500 worth of local and widely varied dining opportunities.

Try a new “hot spot” or re-visit a favorite haunt...the restaurants in this raffle include a wonderful variety of ethnic cuisines and higher-end dining experiences. A final list of all gift certificates included in the raffle will be available the week prior to the Auction and at the Auction, but some you won't want to miss are The Earle, Mani Osteria, and Mac's Acadian Seafood Shack.

The winning tickets will be drawn at the Auction. There is no limit to the number of chances you may purchase, and you need not be present at the Auction to win. This Raffle is open to everyone...feel free to ask for tickets to offer to family and friends.

Pre-sale tickets may be purchased for \$20 each from Joan Gregorka and Deborah Hodges in the Lower and Middle School Offices, from our After Care staff, or from raffle volunteers. Check, cash, or credit cards accepted. Tickets may be purchased at the Auction. Most restaurant gift certificates do not include alcohol or gratuity and some come with expiration dates or restrictions. Raffle ticket purchases are not tax-deductible by law.

## Teacher Experience Raffles

Give your child the gift of time with his/her favorite teachers. Each \$10 ticket buys a chance at a great teacher-student activity. After purchasing your ticket, place it in the box for the teacher experience in which you are interested. Some teacher experiences have grade restrictions and boxes are marked accordingly.

Winning tickets will be drawn at the Auction. Winners will be listed at checkout and at the School the following week. There is no limit to the number of chances you may purchase, and you need not be present at the Auction to win.

Pre-sale tickets may be purchased for \$10 each from Joan Gregorka and Deborah Hodges in the Lower and Middle School Offices, or from our After Care staff. Cash, check, or credit cards accepted. Tickets may be purchased at the Auction. Raffle ticket purchases are not tax deductible by law.

## Wine Pull

Everyone's a winner! Purchase a \$30 wine pull ticket, choose a bottle(s) from the wine pull, and your bottle(s) will be waiting for you at checkout. Bottles are valued between \$25 and \$100. The wine pull is only available until it sells out, so buy your chance early!
