- At the first session, build with clay. At the second session, glaze the piece.
- First session to be scheduled before May 1, 2018. The second session to be scheduled before June 1, 2018.
- Lower School students only.

*Donor: Jennifer Tanau*

**Argo Park Drone Tour with Mrs. Wilson**

- See all 22 acres of Argo Nature Area, one of Ann Arbor's most beautiful settings, from the comfort and relative safety of the air.
- Together with Lisa Wilson, Emerson's technology teacher, two brave people will take a turn flying along the Huron River suspended from four remote controlled drones programmed by Emerson's 1st and 2nd grade classes.
- Built in 4K cameras will record the entire experience so you can preserve and share this ridiculous memory.
- Each person will also learn to fly the drones and operate the camera, allowing them to take their friend or family member as far as 1,000 feet into the air, dip them into the Argo Cascades, and live out all of their Top Gun dreams as they buzz the Canoe Livery.

*Donor: Argo Nature Area, Ulanda U. Lucky, Candace B. Sirius, Lisa Wilson*

**Science Experiments with Mrs. Vohland and Mr. Wilson**

- The winning student and two friends will join Mrs. Vohland and Mr. Wilson for a science-like snack and an hour of hands-on experiments in the science room.
- Mutually agreed upon date and time prior to June 2, 2018.
- Limited to grades 2 through 5.

*Donor: Kelly Vohland and Michael Wilson*
