# Letter from the Chair

*Dear Friends of Emerson,*

*It is a privilege and a pleasure for me to lead the Emerson School Board of Trustees. My family and I have been through six exciting years at Emerson. Between the four of us, we've been parents, volunteers, students, athletes, actors, musicians, leaders of ESPO and Pizza Lunch, and Trustees. Jen and the kids (Michael, 2013 and Lindsey, 2015) deserve the credit for nearly all of these roles. We've had some wonderful years at Emerson, but, as you can imagine, this past year was probably the most exciting of all.*

*We watched the entire Emerson Community come together to complete an impressive middle school expansion and a transformative Arts & Innovation Center. Because of your generosity and your efforts, Emerson is poised for a very bright future!*

*On a personal note, I'm often asked why I stay involved at Emerson – even after both our children have graduated. Simply put, I like to be part of a winning team. And a team, that I believe, makes Ann Arbor a better place to live. The leadership team and the faculty at Emerson are second-to-none. Our parent community is active and vibrant. Most importantly, our graduates are not only well-prepared for high school, but well-prepared for life.*

*I'd like to thank all our Trustees for their dedication of time, talent, and resources to our school. Your Board of Trustees brings a diverse set of skills and expertise in their contributions. Their work is purely voluntary and requires nearly year-round effort. For that, I am grateful.*

*I'd also like to thank Jerry Loewen for his years of leadership at Emerson and wish him all the best in his future endeavors.*

*And finally, let's all welcome John Huber, our new Head of School. John brings impressive credentials and will lead us toward even more educational and community success.*

Glenn Barba  
*Chair, Board of Trustees*

# Letter from the Head

*To the Emerson Community:*

*It is a great joy to be writing to you as Emerson’s new Head of School! My family and I are delighted to enter into this incredible community. And while the school year is just getting underway, I can report to you that our faculty and staff are equally energized to begin the next chapter of the School’s robust history.*

*As I was interviewing for this position, I was frequently asked what attracted me to Emerson. My response is too lengthy to provide here, as Emerson has many great strengths, but one strength in particular is the community’s demonstrated philanthropic support for important programmatic needs. As example, our new middle school classrooms give us much-needed space for students to work together. Our new music rooms are state-of-the-art, complete with small and large group practice spaces. And our Arts and Innovation Center is a marvelously flexible space for rehearsals and performances, lectures, parent gatherings, presentations, and even outside performances. All this is made possible by the support of our entire community, and by you.*

*Now that I am here and am planning for the upcoming school year, I look forward to continuing the excellent work begun by Head of School Jerry Loewen in developing our curriculum. We will also seek new opportunities to partner with the Ann Arbor community. We will look to provide further financial support for families in need. Finally, we will further develop our already-robust fundraising, so that these other goals may be achieved. As example, just two days ago, the faculty and staff participation in the Annual Fund reached 100%—before the end of the first week of school! This sort of commitment is emblematic of their dedication, and yours as well. I thank you for past gifts, as well as gifts yet to come.*

*With deepest appreciation,*

John Huber  
Head of School

# Funding Education at Emerson School

## YOUR GENEROUS GIFTS FILL THE TUITION GAP

As at virtually all independent schools, tuition and fees do not cover the complete cost of educating our children. This gap is filled by generous gifts from our families, alumni parents, friends, local businesses, and foundations.

## EVERY GIFT MATTERS

Gifts to the Annual Fund are factored into Emerson School’s operating budget, and we count on the contribution from every family to provide the resources to keep Emerson such an exceptional place to learn.

## A TAX-DEDUCTIBLE MEANS OF PAYING TUITION

Your contribution to the Annual Fund is tax deductible, though tuition is not. The actual cost to send a child to Emerson is about five percent more than tuition (\$870 averaged) and the Annual Fund is a more cost-effective way for parents to pay for the entirety of their child’s schooling.

# Your gifts make it possible.

Thank you  
Emerson parents  
for your record-  
setting 68%  
participation!

Thank you to everyone who generously gave to Emerson's Annual Fund and Auction. These gifts contribute directly to Emerson's operating budget and allow our children to tap into new technology, to observe guest speakers and performers, to learn from faculty who stay on the cutting edge of their field, and to receive financial aid.

#### RECOGNITION OF GIFTS

Annual Fund donors are recognized for gifts received from July 1, 2014 through June 30, 2015. Gifts to the Emerson Auction are recognized separately by:

- *Sponsors*
- *Advertisers*
- *Item donors*
- *Volunteers*
- *Attendees*

# Gifts to the Annual Fund

**A RECORD-SETTING YEAR FOR PARTICIPATION!**

Emerson School could not operate without generous giving to the Annual Fund. These contributions are factored into each year’s operating budget, making it crucial that the entire Emerson community participates. Thank you to each and every donor who did just that during the 2014-2015 school year, including 100 percent of Emerson’s Board of Trustees, 100 percent of faculty and staff, and a record 68 percent of Emerson families.

# The Campaign for Emerson School

By every measure, Emerson's Building STEAM Capital Campaign was a resounding success! Publically launched in November 2013, the Emerson community set its sights on raising funds for four new middle school classrooms and a 16,000 square foot flexible Arts & Innovation Center that would provide performance and presentation space, a Middle School lunch area, Band and Orchestra classrooms, and a fully equipped stage. Thanks to the broad support of our community, including a generous challenge gift from the Marcantonio family, we met our \$3 million goal by June 30, 2014—a full year ahead of schedule.

In September 2014, our Middle School students and teachers moved into their new classrooms, eliminating the need for our tired portables. The Arts & Innovation Center opened in January 2015 after a celebratory ribbon cutting party for the entire Emerson community. In the spring of 2015 we inaugurated our new facility with band and orchestra concerts, Art/Music nights, Open Mic events, and our first graduation on stage.

As with all independent schools, transformative projects like this only become a reality when the community is united in its support. We are continually amazed by and grateful for the extraordinary support of our parents, alumni parents, faculty, staff and the greater Ann Arbor community. It is thrilling to see Emerson's facilities fully equipped to embrace and respond to the learning challenges of the 21st Century.

*Campaigns like this almost never finish early, but the passionate Emerson community has always exceeded expectations. Thank you to each and every one of you who generously gave to meet the needs of our school. You took Building STEAM and turned it into 'full STEAM ahead,' impacting students today and for generations to come.*

*It is incredible to see the results of the Building STEAM Campaign, knowing the energy and passion it required from our school community to make this possible for our students. Your generosity provided space for the arts, creativity, and collaborative learning to flourish, and it demonstrated a commitment to making your child's education the best that it can possibly be. Thank you.*

# Thank You ESPO

Emerson School would like to express its gratitude to the hard-working ESPO (Emerson School Parent Organization) volunteers. Their fundraising efforts continue to ensure Emerson students have access to outstanding resources in and out of the classroom, and their generous gifts of time and talent fill our halls with joy and laughter.

This year funding from ESPO events helped:

- Purchase a MacBook, a HD video camera, and accoutrements to enable the live streaming of Emerson events. The 2015 Graduation was Emerson's first test!
- Greatly expand Library resources with profits from the Book Fair at Nicola's Books
- Expand Emerson's facilities through the Building STEAM campaign with generous proceeds from Pizza Lunch

Thanks for all that you do!

# Community Service

Every year, students, faculty, and staff give back to our school, the greater-Ann Arbor community, and our world in meaningful ways. Below are some of them.
