

Middle School Book Buyback

For your convenience, book buyback is available online through MBS Direct. It's simple and can be done anytime from the comfort of home.

HOW TO CREATE A BUYBACK QUOTE:

- Visit <http://bookstore.mbsdirect.net/emerson-school.htm>
- Click "Menu," then "Sell Your Textbooks"
- Sign in or click "I don't have an account"
- Enter the ISBN of the books you would like to sell, print your quote and return labels, put books and quote in a box, attach the return label and mail.

Once MBS receives your books, you will receive an email confirmation. You will receive another email confirming the buyback value of your books. Please allow 2-4 weeks for the entire process to occur.

MBS purchases books based on supply and demand and may not purchase all the books you would like to sell during this time. However, you may want to check MBS's website at a later date. MBS does not purchase workbooks and pays very little for paperbacks.
