

At Summer at Emerson, we believe each child is unique and deserves the highest quality programs we can offer to help them grow and develop. Our staff is committed to upholding the high standards of Emerson School and Allen Creek Preschool while challenging our campers to discover and enhance individual talents and creative abilities. Throughout our summer program, we give opportunities for each person to grow, explore, discover, create, imagine, play, and have fun!

Summer at Emerson enrolls students without regard to race, sex, religion, national or ethnic origin, or physical handicap.

We believe that school doesn't have to be boring; that if we challenge, excite, nurture, and engage the whole child, we can inspire a love of learning that will last a lifetime. Here, what's best for children drives the curriculum—not tests. It's where passionate educators are empowered to teach, and intimate classrooms are places of joy, exploration, and respect for one another. It's where bright students learn to tap into their curiosity and search for answers, rather than memorize them.

Emerson is a special environment where smart is cool, and classrooms are comprised of other gifted, unique peers who help and encourage each other to become their best. It's where bright students thrive, and we encourage you to learn more about how our school might benefit your child.

Your child's health information is required to register for any camp at *Summer at Emerson*. Health information, including insurance information, will be collected online during registration. Please be sure to note if your child has any allergies, medically-necessary dietary restrictions, or needs to take medication while at camp.

#### **MEDICATION**

Campers who require medication during camp hours must have a completed *Medication Authorization Form* on file (found in the Document Center online). Medication will remain in the *Summer at Emerson* office and dispensed to campers as needed. This includes emergency medication for allergic reactions, prescription medications, and over-the-counter medications. Kahlia Williams, LPN, *Medical Assistant*, will be stationed at the Summer Office every Monday morning to collect any necessary camper medications for the week.

## **ADDITIONAL INFORMATION**

Our goal at *Summer at Emerson* is for every camper to enjoy his/her experience at camp. If your child has any special considerations/accommodations which may help ease his/her transition into camp, please share this information with us during the registration process or by contacting the Summer Program Director at summer@ emerson-school.org. This confidential information will only be shared with staff members in direct contact with your child, on an as-needed basis. We strive to get to know each camper and to make him/her comfortable with us; your assistance in this matter is greatly appreciated.

#### DROP-OFF AND PICK-UP: ELECTRONIC SIGN IN AND OUT WITH PIN

Each day a parent/guardian must walk each camper inside and sign in on our iPads with a personalized identification number (PIN). This number will be emailed out to all parents the week before your child attends camp and will include a PIN for each adult that is authorized to pick up your child. At the end of each day, a parent/guardian must come into the building to use his/her PIN to sign out on our iPads and pick up their camper(s). No camper will be permitted to leave the building without an adult. Please do not share your PIN with anyone and if you need to add another person, email the Summer Director at summer@emerson-school.org, and that person will be assigned his/her own PIN.

#### **ELECTRONICS**

Campers should not bring electronics with them to camp. Video games, laptops, cell phones, and cameras are not allowed at camp. The only exception to this is when needed specifically for a certain camp (Stop Motion, Digital Photography, etc.). In those cases, electronic devices can be used during camp time ONLY and then stored in his/her locker or at the *Summer at Emerson* office. Electronic devices are not to be used at recess or in before or after camp child care.

#### **SUNSCREEN**

Apply sunscreen to your child before arriving at camp. If a second application is needed, please provide sunscreen that is clearly marked with your child's full name to the Summer Office. We will remind students to reapply sunscreen after lunch, before going out for recess. A sunscreen application waiver must be completed online before we can assist your child. Summer at Emerson cannot supply sunscreen for any camper.

#### **PHOTOGRAPHY**

During camp, your child's photograph may be taken and possibly used in future *Summer at Emerson* publications, social media promotions, or advertisements. It is our policy not to publish children's names with their photos. Please contact the Summer Director in writing prior to your child attending camp if you do not want your child photographed.

#### **BIRTHDAY TREATS**

If you would like to celebrate your child's birthday at camp, please contact the Summer Director at least one week in advance to coordinate with your child's instructor(s). In order to be inclusive for everyone, we celebrate birthdays at *Summer at Emerson* with non-food treats. Some ideas include: Play-Doh, erasers, small toys, books, stickers, bubbles, etc.

## **COUNSELOR IN TRAINING PROGRAM**

The Counselor-in-Training (CIT) program at *Summer at Emerson* provides an opportunity for Middle and High School students to develop leadership skills in a comfortable atmosphere. # Preschool Camp

**SUMMER 2020** 

Allen Creek Preschool supports the healthy growth of children in an environment that promotes emotional, intellectual, and interpersonal understanding. This collaborative endeavor on the part of children, teachers, parents, and family consultants provides a rich and unique early childhood experience. Allen Creek Preschool fosters creativity, independence, individuality, and respect for self and community. We teach effective ways to manage a range of feelings so that children gain emotional strength. We provide structures and experiences that both ground and stretch children and we value all modes of exploration, discovery, and expression.

We believe that school doesn't have to be boring; that if we challenge, excite, nurture, and engage the whole child, we can inspire a love of learning that will last a lifetime. Here, what's best for children drives the curriculum—not tests. It's where passionate educators are empowered to teach, and intimate classrooms are places of joy, exploration, and respect for one another. It's where bright students learn to tap into their curiosity and search for answers, rather than memorize them.

Emerson is a special environment where smart is cool, and classrooms are comprised of other gifted, unique peers who help and encourage each other to become their best. It's where bright students thrive, and we encourage you to learn more about how our school might benefit your child.

At Summer at Emerson, we believe each child is unique and deserves the highest quality programs we can offer to help them grow and develop. Our staff is committed to upholding the high standards of Emerson School and Allen Creek Preschool while challenging our campers to discover and enhance individual talents and creative abilities. Throughout our summer program, we give opportunities for each person to grow, explore, discover, create, imagine, play, and have fun!

Summer at Emerson enrolls students without regard to race, sex, religion, national or ethnic origin, or physical handicap.

#### **AGE LEVELS**

Camps are designed for specific age levels as set by the instructors. You know your child best and can decide if he/she would be best served in a camp that is open to just one age or spanning two years. The age ranges are firm based on how old your child will be on June 22, 2020. Please note that a child who attends Young 5s during the 2019-2020 school year and is enrolling in Kindergarten in the 2020-2021 school year is eligible to participate in our preschool camps designed for five-year-olds.

#### HELPFUL INFORMATION AND MORNING TRANSITIONS

Our goal at *Preschool Camp at Allen Creek* is for every camper to enjoy his/her experience at camp. If your child has any special considerations/accommodations which may help ease his/her transition into camp, please share this information with us during the registration process or by contacting the Summer Program Director at summer@emerson-school.org. This confidential information will only be shared with staff members in direct contact with your child, on an as-needed basis. We strive to get to know each camper and to make him/her comfortable with us; your assistance in this matter is greatly appreciated.

We understand that transitions to new places can be difficult for many preschoolers and if your child isn't ready for you to leave in the morning, that is okay. We will work with our families to see what each child is comfortable with so that parents are not rushed out the door; rather if your child is having a tough time separating, parents are welcome to start camp in the classroom and/or remain in our library until feeling comfortable to leave.

# **PRESCHOOLCAMPATALLENCREEKOVERVIEW**

## **CAMP FEES, REGISTRATION, & PAYMENT**

Half-day camp fees range from \$180-\$200, as noted with each camp's description. Camp fees are not pro-rated for any reason. Online registration begins at 7:00pm on February 3, 2020. A non-refundable deposit of \$25 per half-day camp plus a one-time registration fee of \$15 per camper is required at time of registration. We accept payment through electronic funds transfer, VISA, and MasterCard. All balances are due May 1, 2020. If camps are added after May 1st, payment in full is required at time of registration. All paper checks received will be processed electronically. There is a \$25 fee for returned checks and an \$8 fee for ACH errors. Camp confirmation will be emailed immediately after payment is processed.

## **DROP-OFF AND PICK-UP**

Each day, a parent/guardian must walk each camper inside and sign in on our iPads with a personalized identification number (PIN). This number will be emailed out to all parents the week before your child attends camp and will include a PIN for each adult that is authorized to pick up your child. At the end of each day, a parent/guardian must come into the building to use his/her PIN to sign out on our iPads and pick up their camper(s). Please do not share your PIN with anyone and if you need to add another person, email the Summer Director at summer@emerson-school.org, and that person will be assigned his/her own PIN.

The parking lot at Allen Creek is very small and will be busy at drop off and pick up time. Street parking is available just two blocks away on Franklin Street, and we ask all that are able to make the short walk to park there, leaving the few spaces at Allen Creek for families with special needs or infants.

## **SPARE CLOTHES**

Bring your child to camp in clothes he/she can play in and that you don't mind getting dirty. Exploration and creative play can get messy! Pack a complete change of clothes in your child's backpack each day just in case.

#### **SNACKS**

Simple snacks with water are provided by *Preschool Camp at Allen Creek* daily. The campers will use this time to learn a variety of skills, such as serving themselves, pouring water, and taking turns listening to peers. Snacks are meant to be easy for kids to eat, and we try to stay away from the most common allergens. We will gladly help find a replacement snack for campers with food allergies, and campers are always welcome to bring snacks from home.

## **SUNSCREEN**

Apply sunscreen to your child before arriving at camp. Each camp will spend a portion of each day outside on the playground; if you'd like your child to wear a hat, just send it in! Summer at Emerson cannot supply sunscreen for any camper.

#### **CAMP WITHDRAWALS**

Remaining balances, less deposit, will be refunded for withdrawals made before May 1, 2020. Those who withdraw after May 1st, 2020 are responsible for the full fee and refunds will not be processed. Exceptions will only be considered for medical circumstances with a note from a physician.

#### **WAITING LISTS**

Many camps fill quickly, so register early. Once a camp is full, you may choose to join the online waiting list. There is no deposit to join a waiting list and you will be notified via email if a spot becomes available.

# **PRESCHOOLCAMPATALLENCREEKOVERVIEW**

#### **OFF CAMPUS TRIPS**

Two of our camps will go exploring off campus and will be navigating the Ann Arbor city bus to do so. Campers signed up for these camps are required to complete the online Field Trip Authorization Form online with registration.

## **HEALTH FORM**

Your child's health information is required to register for any camp at *Preschool Camp at Allen Creek*. Health information, including insurance information, will be collected online during registration. Please be sure to note if your child has any allergies, medically-necessary dietary restrictions, or needs to take medication while at camp.

#### **MEDICATION**

Campers who require medication during camp hours must have a completed Medication Authorization Form on file (found in the Document Center online). Prescription medications require a physician's signature and all medications must be submitted to the Summer Office in their original containers. Medication will remain in the Summer Office and dispensed to campers as needed. This includes emergency medication for allergic reactions, prescription medications, and over-the-counter medications.

## **ELECTRONICS AND TOYS**

Campers should not bring electronics or toys from home with them to camp as they serve as distractions during camp time and could possibly be damaged. Please leave these items at home during camp.

#### **PHOTOGRAPHY**

During camp, your child's photograph may be taken and possibly used in future *Summer at Emerson* publications, social media promotions, or advertisements. It is our policy not to publish children's names with their photos. Please contact the Summer Program Director in writing prior to your child attending camp if you do not want your child photographed.

## **FAMILY PETS**

Due to campers' allergies and fears, pets are not permitted in the building when dropping off or picking up your child at *Preschool Camp at Allen Creek*.

## **FACILITIES**

Allen Creek Preschool is located on the west side of Ann Arbor, on the north east corner of Maple Road and Miller Avenue. The air-conditioned classrooms were designed specifically for preschoolers, and the extensive outdoor space will be fully utilized by all camps this summer.

#### **STAFF**

All camps are designed and run by a professional staff of caring and experienced teachers. *Summer at Emerson* and Allen Creek Preschool are fully licensed by the State of Michigan as child care providers and the majority of our staff members are CPR and First Aid certified.

## **WEEK 1 | JUNE 22-26**

## Math Munch (Ages 3-5)

Calling all budding mathematicians! This camp is jam-packed with rich, multi-sensory activities that build your child's early math skills. The week will be full of hands-on crafts, art, and games! We call it math "munch" because YES! We will be munching foods to introduce campers to new mathematical concepts! Have you ever found the area of a rectangle by covering it with Cheez-Its? Have you ever graphed how many green, red, blue, and purple berries you get in your bowl of Cap'n Crunch? Math is delicious! Skills shared will include: counting, sorting, patterns, shapes, fractions, addition, subtraction, word problems, and money.

Instructor: Liz May Fee: \$180 Limit: 12

#### In Our Garden (Ages 3-5)

We will explore many aspects of the gardens: planting, tending, harvesting, dirt, worms, bugs, watering. There will be many songs about gardening and the outdoors in general that will be used throughout the week. We will have a little farmer's market, where we will pretend to sell produce.

## **Exploring Ann Arbor: A Field Trip Camp (Ages: 4-5)**

\*Recommended for children 4.5 years and older

Come explore Ann Arbor with us! We will navigate the Ann Arbor bus system to explore some of the amazing sites around the city. The bus stop is only a block away! Depending on the weather, trips could include: West Park, the Arboretum, UMMA, the Natural History Museum, and AA District Library. Each trip would offer the opportunity for a variety of learning and adventures, from ecosystems and playgrounds to art pieces and even the library. Campers will experience the thrill of riding the bus (pulling the cord!) and the opportunity to build friendships along the way. We'll also spend time processing all we are seeing as we break for snack at each location. So many new sounds and sensations are fun to experience with friends and keep our campers engaged. Campers will return to the school at 12:30pm. They need to bring: a backpack, water bottle, change of clothes, footwear that can get wet, and a hat each day. This camp is also offered during Week 3.

Instructors: Marcia Healey and Dina Stillings Fee: \$200 Limit: 12

## **WEEK 3 | JULY 6-10**

## Camping in my Backyard (Ages 3-5)

What does it mean to go camping with your family? What would you take along? How could you cook your food? As we pretend to go camping, we will create our very own campground, "cook" some food for snack, and take hikes to see the sights.

Instructor: Midge Wakefield Fee: \$180 Limit: 12

## Parle-Vous Français? (Ages 3-5)

Ever wondered how you would say something in French? Join us at French Camp! Using a dual-language approach, campers will be introduced to the language and culture of the City of Lights! Our days will center on building vocabulary through games, songs, stories, and arts and crafts. Preschool is the perfect time to expose children to a second language; research points to cognitive benefits like strong math conceptualization, problem-solving, and verbal skills. Come join us for a week of cultural diversity, and empower your young ones to embrace the multicultural world they will one day be running! Skills shared will include: numbers, letters, colors, body parts, family, food, and animals.
