ONLINE CAMP PROGRAM

OVERVIEW

ABOUT

Emerson School is excited to offer *Summer at Emerson from Home!* Join us for our first online summer camp program. This experience is open to all students currently enrolled in grades K-8 during the 2019-2020 school year from any school district. We provide seven individual weeks of virtual camps running from June 22 through August 14. There will be no camps the week of June 29-July 3.

REGISTRATION

Registration will be open to the public starting at 7:00pm on Friday, May 22. If you already have an account for our traditional Summer Camps, no need to make a new one! Families will be able to register for our virtual camps through the same online portal at www.emerson-school.org/summer. If you are a returning family, your login and password remain the same. There is a link to retrieve this information on the main page if you need it.

If you do NOT have an account yet, registering for our camps continues to be an easy process through our online registration portal. For new families, simply go online to set up your account.

1. Visit www.emerson-school.org/summer
2. Click on the Register Online Link.
3. Click on Create an Account and follow the on-screen steps.

OVERVIEW

GRADE LEVELS

All camps are designed for students who have completed grades specified in the camp description during the 2019-2020 School Year. Grade levels are set by the instructor and will not be altered.

CAMP TIMES

Summer at Emerson from Home will run from June 22-August 14. Camps will run Monday-Friday for 1-1.5 hours. While we will still hold morning and afternoon camps, each specific camp starting time will be determined by the instructor and noted in the camp description.

CAMP FEES AND PAYMENT

Our online camps range from \$60-\$95, as noted in the camp's description. For some camps, there might be additional costs for supplies, applications, and other such things that a camper would need in order to fully participate. This will be noted clearly in the camp description. We accept payment through electronic funds transfer, VISA, and MasterCard. All paper checks received will be processed electronically. Payment in full is expected by each camp's start date.

CAMP WITHDRAWALS

Given the time frame and reformatting traditional camps to an online experience, if a registered camper decides not to attend, we may be unable to refund the camp fee.

CAMP CANCELLATIONS

Summer at Emerson from Home reserves the right to cancel any camp if minimum enrollment is not met. If this is the case, you will be notified via email. Deposits for cancelled camps will be refunded in full.

CAMP LIMITS AND WAITING LISTS

Some of our camps require more personalized one-on-one interaction with the instructor than others. As a result, there are differences in camp prices. This will be noted clearly in the camp description. Much like our traditional camps, you will still have the option to join an online waiting list if a camp has reached its maximum capacity and is full. There is no deposit to join a waiting list, and you will be notified via email if a spot becomes available.

TECHNOLOGY

Each one of our instructors has selected an easy-to-use online platform through which they will deliver their content, as noted in their camp descriptions. In order to access these programs, all participants must have a device that has a camera, microphone, and sound. Technical support will be available to help troubleshoot certain software issues, but will be limited in relation to any hardware-related issues. Please read the camp descriptions to thoroughly understand what applications you will need to participate. All registered campers will receive an email from their instructors at least a week before their camp begins with all of the necessary links and passwords to access the correct program and camp.

OVERVIEW

CAMPER SUPPLIES

Some of our camps require additional materials in order to receive the full camp experience. Most of these materials will be common household items or easy-to-find supplies from a local store. Make sure to read the “*Campers Will Need*” section in each camp description to know what to acquire before the camp begins. If a camp does not specify anything in this section, you will only need your device to participate in the camp. If you are unable to find some specific supplies, not to worry! You will still have a fun camp experience.

***To assure the safety of our campers and families, Emerson School will not be providing any supply pick-ups or deliveries.*

PHOTOGRAPHY

During camp, your child’s instructor may take screenshots that could possibly be used in future *Summer at Emerson from Home* publications, social media promotions, or advertisements. It is our policy not to publish any camper’s name with any photographs. Please contact the Summer Director in writing prior to your child attending camp if you wish to exclude your child from any photographs.

FREQUENTLY ASKED QUESTIONS

Q: If I have already registered for traditional camps, do I need to re-register for their online versions?

A: Yes. Our instructors are working hard to transfer their traditional camps to virtual formats, and some aspects will be different. We want to make sure all families are aware of any differences in content and pricing before signing up.

Q: If I have already registered for a traditional camp, will my child be guaranteed a spot in the online version?

A: Yes. We would like to assure all campers who initially signed up for traditional camps that they will have the chance to participate in the virtual versions of those camps. If you have already registered for traditional camps and are having issues registering for online camps, please email Carly Meloche at summer@emerson-school.org and she will make sure your child gets a space.

***Please keep in mind that we were not able to transition ALL of our traditional camps to virtual formats. We appreciate your understanding.*

Q: I have already paid for traditional camps. Can I use those funds for online camps?

A: Of course! All families who have already paid for traditional camps will have the option to select “Save Without Payment” when registering for our online camps. As our virtual camps are priced differently, any overcharge will be refunded to you.

Q: I did not sign up for the traditional Summer at Emerson program. Can I still sign up for the online Summer at Emerson from Home program?

A: Yes! We would love to have you join us. Please look at the registration section for more details.

Q: I do not wish to participate in Summer at Emerson from Home. Will I be issued a full refund for the traditional camps I signed up for?

A: Of course. If our online program does not work for your family, send Carly Meloche an email at summer@emerson-school.org to request your full refund.

***We appreciate your patience while we transition from our traditional program to an online format. Refunds and balances will be processed as quickly as possible.*

COMING SOON

Stay tuned...even MORE camp opportunities will be coming your way!

Jump Start on School:

Jump Start is a special one-week camp designed for incoming Emerson kindergartners. We have found this camp to be a wonderful opportunity for students to become familiar with Emerson School and meet new classmates. Space is reserved for all enrolled kindergartners and a registration password will be shared upon receiving your signed contract.

iCamp-Remote Summer Camp for Middle School:

Emerson's staff is in the process of developing an enriching extension of our online summer camp, specifically designed for middle school students. These offerings will focus primarily on social interaction and engagement.

*It is possible we will have additional Summer at Home offerings as the summer progresses!
