## OVERVIEW

### GRADE LEVELS

All camps are designed for students who have completed grades specified in the camp description during the 2019-2020 School Year. Grade levels are set by the instructor and will not be altered.

### CAMP TIMES

iCamp will run from July 13-August 14. Camps will run Monday-Friday for 1-1.5 hours. While we will still hold morning and afternoon camps, each specific camp starting time will be determined by the instructor and noted in the camp description.

### CAMP FEES AND PAYMENT

Our online camps range from \$60-\$95, as noted in the camp's description. For some camps, there might be additional costs for supplies, applications, and other such things that a camper would need in order to fully participate. This will be noted clearly in the camp description. We accept payment through electronic funds transfer, VISA, and MasterCard. All paper checks received will be processed electronically. Payment in full is expected by each camp's start date.

### CAMP WITHDRAWALS

Given the time frame and reformatting traditional camps to an online experience, if a registered camper decides not to attend, we may be unable to refund the camp fee.

### CAMP CANCELLATIONS

*Summer at Emerson from Home* reserves the right to cancel any camp if minimum enrollment is not met. If this is the case, you will be notified via email. Deposits for cancelled camps will be refunded in full.

### CAMP LIMITS AND WAITING LISTS

Some of our camps require more personalized one-on-one interaction with the instructor than others. As a result, there are differences in camp prices. This will be noted clearly in the camp description. Much like our traditional camps, you will still have the option to join an online waiting list if a camp has reached its maximum capacity and is full. There is no deposit to join a waiting list, and you will be notified via email if a spot becomes available.

### TECHNOLOGY

Each one of our instructors has selected an easy-to-use online platform through which they will deliver their content, as noted in their camp descriptions. In order to access these programs, all participants must have a device that has a camera, microphone, and sound. Technical support will be available to help troubleshoot certain software issues, but will be limited in relation to any hardware-related issues. Please read the camp descriptions to thoroughly understand what applications you will need to participate. All registered campers will receive an email from their instructors at least a week before their camp begins with all of the necessary links and passwords to access the correct program and camp.

### CAMPER SUPPLIES

Some of our camps require additional materials in order to receive the full camp experience. Most of these materials will be common household items or easy-to-find supplies from a local store. Make sure to read the “*Campers Will Need*” section in each camp description to know what to acquire before the camp begins. If a camp does not specify anything in this section, you will only need your device to participate in the camp. If you are unable to find some specific supplies, not to worry! You will still have a fun camp experience.

*\*\*To assure the safety of our campers and families, Emerson School will not be providing any supply pick-ups or deliveries.*

### PHOTOGRAPHY

During camp, your child’s instructor may take screenshots that could possibly be used in future *Summer at Emerson from Home* publications, social media promotions, or advertisements. It is our policy not to publish any camper’s name with any photographs. Please contact the Summer Director in writing prior to your child attending camp if you wish to exclude your child from any photographs.

### FREQUENTLY ASKED QUESTIONS

**Q: If I have already registered for traditional camps, do I need to re-register for their online versions?**

A: Yes. Our instructors are working hard to transfer their traditional camps to virtual formats, and some aspects will be different. We want to make sure all families are aware of any differences in content and pricing before signing up.
