Emerson
SCHOOL

2021 CAMP
GUIDE

At Summer at Emerson, we believe each child is unique and deserves the highest quality programs we can offer to help them grow and develop. Our staff is committed to upholding the high standards of Emerson School while challenging our campers to discover and enhance individual talents and creative abilities. Throughout our summer program, we give opportunities for each person to grow, explore, discover, create, imagine, play, and have fun!

Summer at Emerson enrolls students without regard to race, sex, religion, national or ethnic origin, or physical handicap.

Emerson

SCHOOL

We believe that school doesn't have to be boring; that if we challenge, excite, nurture, and engage the whole child, we can inspire a love of learning that will last a lifetime. Here, what's best for children drives the curriculum—not tests. It's where passionate educators are empowered to teach, and intimate classrooms are places of joy, exploration, and respect for one another. It's where bright students learn to tap into their curiosity and search for answers, rather than memorize them.

Emerson is a special environment where smart is cool, and classrooms are comprised of other gifted, unique peers who help and encourage each other to become their best. It's where bright students thrive, and we encourage you to learn more about how our school might benefit your child.

SUMMER AT EMERSON OVERVIEW

ABOUT SUMMER AT EMERSON

Summer at Emerson is open to all students, regardless of school attended. We offer seven individual weeks of camps for children who have completed grades K-8 during the 2020-2021 school year. This year, we provide four different types of camps: Full-Day Single Camps, Full-Day Bundled Camps, Half-Day Camps, and Virtual Camps. Explanations of each of these formats will be found under "Camp Options."

SUMMER AT EMERSON 2021 UPDATES

While we are thrilled to be back on-campus this summer, we have made many changes to maximize the safety of our campers and staff for the 2021 season. We ask that you please read the entire update section in order to feel fully prepared for *Summer at Emerson 2021*.

IMPORTANT: It is possible that we will have additional updates as the year progresses. The information presented in this brochure is subject to change. We will do our best to inform you of any updates and changes in a timely and efficient manner. We thank you in advance for your patience and understanding through this transitional season.

COVID-19 INFORMATION AND POLICIES

Summer at Emerson strives to keep all of our campers healthy and safe. We comply with all and any current guidelines set forth by the Washtenaw County Health Department and meet or exceed the recommendations laid out by the MI Safe Schools Roadmap.

Summer at Emerson will likely require weekly COVID-19 testing for each camper on the Friday prior to the week of camp they are registered for. This testing can be completed through Summer at Emerson (\$35/camper fee) or through another outside testing facility within a given timeframe. It must be a PCR test. More information on testing requirements and specific details will be shared no later than Saturday, May 1st.

If a child has a fever of 100.4 degrees or higher, has vomited, or has presented any symptoms of COVID-19 within the past 24 hours, please do not bring your child to *Summer at Emerson*. If a child has a fever or vomits at Summer at Emerson, we will contact parents immediately for pick up. If a child is not feeling well* or is injured while in our care, we will also contact parents to alert them of the situation.

***If a child does not feel well while at Summer at Emerson:**

1. The camper will notify a *Summer at Emerson* Staff Member if he or she is not feeling well.
2. The Staff Member will escort the camper to a separate space away from other campers and staff members.
3. The *Summer at Emerson* Medical Assistant will conduct a health assessment as soon as possible, including a temperature check and COVID-19 screening checklist.
4. If a child presents with a temperature of 100.4 degrees F or above, answers yes to any of the COVID-19 screening questions, and/or is actively vomiting, the Director and/or Assistant Director will contact the parent or guardian and request the camper be picked up as soon as possible.
5. The Director and Assistant Director will be notified upon parent arrival and escort the camper to their parent or guardian to eliminate the need for the parent or guardian to enter the building.
6. Parents are to be informed upon pick-up of Summer at Emerson's policy for returning to camp after illness and will be directed to seek prompt medical evaluation.
7. Parents of campers who were in the same camp with the sick child will be provided with general information regarding the illness and whether COVID-19 is suspected within 24 hours.
8. Any camper who has left camp for fever or illness will need to have a doctor's note stating that they are safe to return to camp and/or a negative COVID-19 test to present to the Medical Assistant before entering the building.
9. In the event a COVID-19 test has been ordered by the child's physician but results are still pending:
 - a. The Director and Assistant Director will convene to determine the camp's response based upon the nature of the child's illness. If needed, they will determine the level of camp closure, disinfection, etc. At a minimum, they will follow WCHD guidance.
 - b. Parents of campers who were in the same camp with the sick child will be provided an update that COVID-19 results are pending.
10. Should there be a positive COVID-19 test, the camper must stay home until the following:
 - a. 24 hours have passed since the resolution of fever without the use of fever-reducing medications, and;
 - b. 10 days have passed since their symptoms first appeared or since the student was swabbed for the test that yielded positive result, and;
 - c. Other symptoms have improved.
11. In the event of a positive COVID-19 diagnosis:
 - a. The Medical Assistant will immediately contact the Washtenaw County Health Department (WCHD), and we will follow their guidance regarding return to camp, contact tracing, and extent of camp closure. They will lead the investigation and provide direction for the camp.
 - b. The camp will cordon off any indoor area(s) the camper was present, including bathrooms, classrooms, etc. These areas will be closed for 24 hours before they are cleaned and disinfected. We will follow all protocols relating to cleaning and disinfecting the affected areas of the building after a COVID-19 exposure/incident.
 - c. The Director will notify the entire Summer at Emerson community of a positive case, without identifying the individual, within 24 hours of being notified of the positive result.
 - d. The Director will notify parents with campers in the same camp as the sick child that their camp is cancelled and issue a full refund to all families.

In addition to daily custodial cleaning services, *Summer at Emerson* uses disinfecting wipes each day to clean the surfaces we use most often (tables, chairs, handrails, etc) and alerts the custodial staff of anything needing additional attention as needed. All surfaces touched by campers and staff during the course of a given day undergo cleaning and disinfecting at least every four hours.

SWITCH TO FULL-DAY FORMAT

The decision to move the majority of our camps to a full-day format is based on the need to decrease potential exposure and the coming and going of campers. We understand this switch doesn't provide as many choices to our campers, and we will not be able to offer as many spaces to our families as we have in the past. Please recognize that this change is only temporary. We will be hosting a small number of half-day camps for those families who cannot stay for the whole day and a small number of virtual camps for those who do not wish to come to campus.

MASK REQUIREMENT AND SOCIAL DISTANCING

As per CDC recommendations, facial coverings will be **required** at all times for all those who are on campus, inside or outside, except when eating. Masks should cover the nose and mouth and be secured under the chin. Faculty and staff will seek to maintain continuous physical separation of children by six feet (or more), whether indoors or outdoors.

CAMP SPACES

We will be utilizing Emerson's expansive outdoor area as much as possible. Most camps will be assigned both an indoor and outdoor space. Please note that some of our camps that require specific technology are not conducive to the outdoors. ALL camps will spend time outside during the morning and afternoon snack sessions as well as the lunch/recess hour.

CAMP OPTIONS

Full-Day Single Camp (9:00am-4:00pm)

These camps will look very familiar to past *Summer at Emerson* participants. The Full-Day Single Camp will consist of one theme that campers will focus on throughout the entire day and week. An example of a Full-Day Single Camp is our classic Rube Goldberg Inventors course.

Full-Day Bundled Camp (9:00am-4:00pm)

This second full-day option will offer two different camp themes throughout the day, one in the morning and one in the afternoon. This format has a similar feeling to taking two half-day camps back-to-back. Each camp bundle will list the title of the two themes

along with descriptions for each of them. **Please note, you may NOT mix and match camp themes from different bundles to create your own.** When you sign up for a Full-Day Bundled Camp, you are signing up for BOTH themes listed under that particular bundle.

You will notice that some of our Full-Day Bundled Camps contain themes that are similar to each other. Example: LOTS O' LEGOS: LEGO Stop Motion & LEGO Adventures. Some of them will have two themes that are different from each other. Example: NERDPLAY: Ultimate Frisbee and Google Sites Creator. We hope to provide an experience for campers who like consistency as well as those campers who like to explore a variety of interests.

SCHOOL AGE CAMP AT EMERSON OVERVIEW

Some of our Full-Day Bundled Camps will be taught by one instructor, and some of them will be taught by two instructors. Please review each individual camp description for details.

Half-Day Camp (Morning 9:00AM-12:00PM OR Afternoon 1:00PM-4:00PM)

We will be offering a small number of half-day options for our families who cannot attend the whole day. Each half-day camp will have one theme, and they will be structured very similarly to our Emerson half-day camps from the past. AM camps will run from 9:00am-12:00pm and our PM camps will run from 1:00pm-4:00pm

IMPORTANT: Families who want their children to attend a full day of camp **MUST** choose one of the full-day options. A camper may not attend two different half-day camps in one week.

Virtual Camp (please note specific camp times in descriptions)

We will be offering a handful of online camps during Weeks 1-4 for those who are not yet comfortable coming to campus. Campers may sign up for multiple virtual camps during a week. For families who joined our *Summer at Emerson from Home* program or our *Virtual Spring Break Program* from last year, this will be a very similar experience! Our virtual instructors have each selected an easy-to-use online platform through which they will deliver their content, as noted in their camp descriptions. In order to access these programs, all participants must have a device that has a camera, microphone, and sound.

Technical support will be available to help troubleshoot certain software issues but will be limited in relation to any hardware-related issues. Please read the camp descriptions to thoroughly understand what applications you will need to participate in these online camps. All registered campers will receive an email from their instructors at least a week before their camp begins with all of the necessary links and passwords to access the correct program and camp.

Brain Monkeys

Brain Monkeys is a STEAM education company that offers enrichment programming for kids of all ages! Emerson School and Brain Monkeys have partnered for several years through Summer at Emerson and we are excited to continue to provide quality STEAM education together. This season, Brain Monkeys has bundled their Maker programs with their classic engineering, science and robotics curriculum. Make sure to look for the "Brain Monkeys Bundles" each week for a hands-on, exploratory learning experience!

CAMP FEES

2021 camp fees are based on three main factors: the format of the camp, (full-day, half-day, or virtual), what materials/supplies a camp requires, and the maximum number of participants a camp can hold. Please review the general breakdown below:

Full-Day Camps: \$290-360

Half-Day Camps: \$160-185

Virtual Camps: \$60-90

**Please note that all camp fees will be prorated for the first two weeks of camp which are both 4-day weeks.*

CAMP DATES

Spring Break from Home Camp:

March 29-April 2 (online program)

Week 1: June 28-July 1 (4-day week)

Week 2: July 6-9 (4-day week)

Week 3: July 12-16

Week 4: July 19-23

Week 5: July 26-30

Week 6: August 2-6

Week 7: August 9-13

*Please note that the first two weeks of camp are 4-day weeks due to the placement of July 4th. **No camps or activities will be available on Friday, July 2 or Monday, July 5.** We will NOT be taking off the entirety of Week 2 as we have in the past.*

SCHOOL AGE CAMP AT EMERSON OVERVIEW

CAMP HOURS

Full-Day Single Camp: 9:00am-4:00pm

Full-Day Bundled Camp: 9:00am-4:00pm

Morning Half-Day Camp: 9:00am-12:00pm

Afternoon Half-Day Camp: 1:00pm-4:00pm

Virtual Camp: All virtual camps are 1-1.5 hours long. Please note the specific camp times in the virtual camp descriptions.

Lunch Hour: 12:00pm-1:00pm

CHILD CARE HOURS

Before Camp: 8:00am-9:00am

After Camp: 4:00pm-5:00pm

Child care is available completely on a drop-in basis, billed at the rate of \$9 per hour.

GRADE LEVELS

All camps are designed for students completing grades specified in the camp description during the 2020-2021 school year. Grade levels are set by the instructors and will not be altered.

BEFORE & AFTER CAMP CHILD CARE

Child care is available before and after camp on a drop-in basis each day. Before camp child care runs from 8-9am for \$9/day. After camp child care runs from 4-6pm for \$9/hour. There is a strict \$4/minute per child late fee for all campers picked up after 5pm. Child care charges are billed to your account and sent via email.

Note: if your child arrives before 8:50am or is picked up after 4:10pm, you will be charged for child care.

LUNCH AND RECESS

The lunch period (12-1pm) includes supervised lunch and outdoor recess time. This hour is provided free of charge for campers attending a full day of camp. The lunch hour may be added for \$12/ day for our half-day attendees on a drop-in basis. Your account will be billed for this time and sent via email. Note:

If your child attends half-day camp and is picked up after 12:10pm or arrives before 12:50pm, you will be charged for child care.

LUNCH

Campers who are registered for a full-day camp have lunch and recess outside from 12-1pm supervised by Summer at Emerson staff. On days when we cannot eat outside due to bad weather, we will eat lunch inside and distanced with plexiglass dividers. Campers must bring their own lunch and drink each day. We do not have lunch service, drinks, or refrigeration available at *Summer at Emerson*. Microwaves are available.

SNACKS

Daily snacks with juice boxes are provided by Summer at Emerson for each morning and afternoon camp. The snack schedule, with allergen information, is posted each week at the sign-in area for all campers and parents to see. Typical snacks include: animal crackers, pretzels, Cheez-Its, Chex Mix, fruit snacks, Gardettos, etc. All snacks will be individually packaged for safety purposes. We will happily find a replacement snack for campers with food allergies but not simply for finicky eaters. Campers are always welcome to bring snacks from home.

REGISTRATION & PAYMENT

Online registration begins at 7:00pm on February 8, 2021. A non-refundable deposit of \$25 per camp plus a one-time registration fee of \$15 per camper is required at time of registration. We accept payment through electronic funds transfer, VISA, and MasterCard. All balances are due May 7, 2021. If camps are added after May 7, payment in full is required at time of registration. All paper checks received will be processed electronically. There is a \$25 fee for returned checks and an \$8 fee for ACH errors. Camp confirmation will be emailed immediately after payment is processed.

CAMP WITHDRAWALS

Remaining balances, less deposit, will be refunded for withdrawals made before May 14, 2021. Those who withdraw *after* May 14, 2021 are responsible for the full fee and refunds will not be processed. Exceptions will only be considered for medical circumstances with a doctor's note.

CAMP CANCELLATION

Summer at Emerson reserves the right to cancel any camp if minimum enrollment is not met. If this is the case, you will be notified via email. Deposits for cancelled camps will be applied toward your balance or refunded. Every effort is made to avoid this possibility.

WAITING LISTS

Many camps fill quickly, so register early. Once a camp is full, you may choose to join the online waiting list. There is no deposit to join a waiting list, and you will be notified via email if a spot becomes available.

HEALTH FORM

Your child's health information is required to register for any camp at *Summer at Emerson*. Health information, including insurance information, will be collected online during registration. Please be sure to note if your child has any allergies, medically-necessary dietary restrictions, or needs to take medication while at camp.

MEDICATION

Campers who require medication during camp hours must have a completed Medication Authorization Form on file (found in the Document Center online). Prescription medications require a physician's signature, and all medications must be submitted to the Summer Office in their original containers. No camper may be in possession of any medications. Medication will remain in the Summer at Emerson office and be dispensed to campers as needed. This includes emergency medication for allergic reactions, prescription

medications, and over-the-counter medications. Our Medical Assistant will be stationed at the Summer Office every Monday morning to collect any necessary camper medications for the week.

ADDITIONAL INFORMATION

Our goal at *Summer at Emerson* is for every camper to enjoy their experience at camp. If your child has any special considerations/accommodations which may help ease their transition into camp, please share this information with us during the registration process or by contacting the Summer at Emerson Director at summer@emerson-school.org. This confidential information will only be shared with staff members who will be in direct contact with your child on an as-needed basis. We strive to get to know each camper and to make them comfortable with us; your assistance in this matter is greatly appreciated.

DROP-OFF AND PICK-UP: ELECTRONIC SIGN IN AND OUT WITH PIN

Each day of camp, a parent/guardian must walk each camper inside and sign in on our iPads with a personalized identification number (PIN). This number will be emailed out to all parents the week before your child attends camp and will include a PIN for each adult that is authorized to pick up your child. At the end of each day, a parent/guardian must come into the building to use his/her PIN to sign out on our iPads and pick up their camper(s). No camper will be permitted to leave the building without an adult. Please do not share your PIN with anyone and if you need to add another person, email the Director at summer@emerson-school.org, and that person will be assigned his/her own PIN.

ELECTRONICS

Campers should not bring electronics with them to camp. Video games, laptops, cell phones, and cameras are not allowed at camp. The only exception to this rule is when needed specifically for a certain camp

(Stop Motion, Digital Photography, etc). In those cases, electronic devices can be used during camp time **ONLY** and then stored in his/her locker or at the *Summer at Emerson* office. Electronic devices are not to be used at recess or in before or after camp child care.

SUNSCREEN

Apply sunscreen to your child before arriving at camp. If a second application is needed, please provide sunscreen that is clearly marked with your child's full name to the Summer Office. During the 2021 season, we highly recommend bringing spray sunscreens. We will remind students to reapply sunscreen after lunch, before going out for recess. A sunscreen application waiver must be completed online before we can assist your child. Summer at Emerson cannot supply sunscreen for any camper.

PHOTOGRAPHY

During camp, your child's photograph may be taken and possibly used in future *Summer at Emerson* publications, social media promotions, or advertisements. It is our policy not to publish children's names with their photos. Please contact the Director in writing prior to your child attending camp if you do not want your child photographed.

BIRTHDAY TREATS

If you would like to celebrate your child's birthday at camp, please contact the Summer Director at least one week in advance to coordinate with your child's instructor(s). In order to be inclusive for everyone and to help keep our camp as safe as possible, we celebrate birthdays at *Summer at Emerson* with non-food treats. Some ideas include: Play-Doh, erasers, small toys, books, stickers, bubbles, etc. We will NOT be accepting any food birthday treats.

FAMILY PETS

Due to campers' allergies and fears, pets are not permitted in the building when dropping off or picking up your child at *Summer at Emerson*.

FACILITIES & STAFF

Emerson School is located just ten minutes southwest of downtown Ann Arbor on a beautiful, 20 acre, rural setting. The air-conditioned classrooms, technology labs, Performing Arts Theater, and gymnasium, as well as the outdoor sports fields, playground, and nature areas will be fully utilized throughout the summer. All camps are designed and run by a professional staff of caring and experienced teachers. Summer at Emerson is fully licensed by the State of Michigan as a child care provider, and the majority of our staff members are CPR and First Aid certified.

ONLINE REGISTRATION

Registration for all *Summer at Emerson* and *Spring Break From Home* camps will open up to the public on Monday, February 8 at 7:00pm. Emerson families will have access to early registration. Signing up for camps continues to be an easy process through our online registration portal. Our online service is fast, safe, and simple. If you are a returning family, your login and password remain the same as last year. There is a link to retrieve this information on the main page if you need it. For new families, simply go online to set up your account.

1. Visit Emerson-School.org/Summer or choose *Summer at Emerson* from under the About tab
2. Click on the Register Online link
3. Click on Create an Account and follow the on-screen steps

Helpful Hints for Online Registration:

- Have your child's health and emergency information available as this is required for all campers.
- To secure your child's spot in camp, a non-refundable deposit of \$25 per camp plus a one-time
- registration fee of \$15 per camper is required at time of registration.
- Payments are accepted in the form of electronic check, VISA, or MasterCard.
- Balances for all camps are due May 7, 2021.
- If you have any questions, please email, call or text: summer@emerson-school.org or 734-660-5108.

COUNSELOR IN TRAINING PROGRAM

The Counselor-in-Training (CIT) program at *Summer at Emerson* provides an opportunity for Middle and High School students to develop leadership skills in a comfortable atmosphere. Interested students who have completed grades 6-12 will learn what it takes to be a counselor in our summer program and enhance their leadership abilities.

Led by Sam Boughton, veteran *Summer at Emerson* instructor, CITs will work as a team, in small groups, and individually to learn about working with young children in a summer camp environment. Upon successful completion of training, CITs will be invited back to *Summer at Emerson* as a Junior Counselor to use their new skills and assist with one full-day week of camp.

The CIT program is held during the 4-day week of June 28-July 1, 2021 from 9:00am-4:00pm. Attendance during this week is mandatory. Please note that there are a limited number of CIT spaces available and only a select number of Junior Counselor spaces available each week. Students who have participated in the CIT program in the past and would like to return as a Junior Counselor this year should complete the Returning Junior Counselor Application found on our website; the training week is not required to be repeated.

Applications are due by Friday, March 12, 2021. After collecting all applications, all decisions will be made, and a response will be emailed to you by Friday, April 9, 2021. There is no application fee and if accepted to the CIT program, the \$275 camp fee is due by May 7, 2021. The week as a Junior Counselor has no charge from 9am-4pm; child care is available from 8-9am and 4-6pm at \$9/hour.

Applicant's Name: _____ Email: _____

School and Grade (2020-2021): _____ T-Shirt Size: _____

Parent(s): _____ Email: _____

Please list in order of preference (1-3) the following weeks you are available to return as a Junior Counselor:

_____ Week 2 July 6-9

_____ Week 4 July 19-23

_____ Week 6 August 2-6

_____ Week 3 July 12-16

_____ Week 5 July 26-30

_____ Week 7 August 9-13

On a separate sheet of paper, please detail your experience with children, volunteer activities, hobbies, interests, and explain why you would be a great addition to the Summer at Emerson staff. Also include any specific camps you may have interest in assisting with as a Junior Counselor keeping in mind that Junior Counselors are generally assigned to K-2 camps.

We certify that all of the included application information is accurate. We understand that there is limited space available in the program per week and our first choice may not be available.

Applicant's Signature: _____ Date: _____

Parent's Signature: _____ Date: _____

Please submit completed application by March 12, 2021 to: Director of Summer at Emerson, 5425 Scio Church Rd, Ann Arbor, MI 48103 or at summer@emerson-school.org

We are excited to host our second Spring Break From Home program! These 11 camps will be taught completely online March 29-April 2. This experience will be open to all students currently enrolled in grades K-8 in the 2020-2021 school year, regardless of school attended.

SPRING BREAK CAMP TIMES

All *Spring Break From Home* camps will run Monday, March 29-Friday, April 2 for 1-1.5 hours long. Each specific camp start time will be determined by the instructor and noted in the camp description.

SPRING BREAK CAMP FEES AND PAYMENT

Spring Break From Home fees range from \$60-\$90, as noted in the camp's description. For some camps, there might be additional costs for supplies, applications, etc. that a camper would need in order to fully participate. This will be noted clearly in the camp descriptions. We accept payment through electronic funds transfer, VISA, and MasterCard. All paper checks received will be processed electronically. **Payment in full is required at registration.**

SPRING BREAK CAMP WITHDRAWALS

Those who withdraw from *Spring Break Camp From Home* after March 5, 2021 are responsible for the full fee and refunds will not be processed. Exceptions will only be considered for medical circumstances with a doctor's note.

SPRING BREAK CAMP CANCELLATIONS

Spring Break From Home reserves the right to cancel any camp if minimum enrollment is not met. If this is the case, you will be notified via email. Deposits for cancelled camps will be refunded in full.

SPRING BREAK CAMP TECHNOLOGY

Each one of our Spring Break instructors has selected an easy-to-use technology platform through which they will deliver their content, as noted in their camp descriptions. These programs include: Zoom, Roll20.net and ChessKid.com. In order to access these programs, all participants must have a device that has a camera, microphone, and sound. Please read the camp descriptions to thoroughly understand what programs you will need to participate. **All registered campers will receive an email from their instructors no later than Friday, March 26th with all of the necessary links and passwords to access the correct program and camp.**

SPRING BREAK REGISTRATION

Registration for *Spring Break From Home* will open up to the public on Monday, February 8 at 7:00pm. If you already have an account with our past or current summer camps, no need to make a new one! Families will be able to register for our *Spring Break From Home* Program through the same online portal at Emerson-School.org/Summer. If you are a returning family, your login and password remain the same. There is a link to retrieve this information on the main page if you need it.

If you do NOT have an account yet, registering for our camps continues to be an easy process through our online registration portal. For new families, simply go online to set up your account.

1. Visit Emerson-School.org/Summer or choose Summer at Emerson from under the About tab
2. Click on the Register Online Link
3. Click on Create and Account and follow the on-screen steps

MARCH 29-APRIL 2 MORNING CAMPS

LEE UN CUENTO CONMIGO (Currently Enrolled Grades K-4)

Join us and have some fun while we read stories, legends, and fairytales of all sorts in Spanish! We will draw and create a pop-up story in Spanish and build a story cube using supplies from home. These materials can include paper (white and/or color), colored pencils or markers, scissors, glue, along with any other tools you want to use (old magazines, glitter, yarn, etc).

Online Programs: Zoom and Roll20.net

FULL

LEARN TO KNIT (Currently Enrolled in Grades 3-8)

Want to learn to knit? Join us as we gather over Zoom and learn all about yarn, needles, and some simple beginner stitches! We will start by learning a simple cast on and move from there to learn to knit stitch. Once we have those down, we will try some purling and finally the cast off. Keeping the project simple and fun, we will start by knitting a simple scarf to your preferred width and length. The plan is to make our scarves with lots of patience and focus on doing our best work (so no rushing). If time allows, we will make a second project: a cowl knit in the round. All beginner knitters welcome!

Supplies needed:

- 1 size 9 (5mm) circular bamboo needle

FRONTIER ADVENTURES: Permaculture Gardening & Homesteading Skills

(Completed Grades 4-8)

Permaculture Gardening

Help learn about, care for, and add to Emerson's "Permaculture" garden! We'll spend most of our time caring for the garden; nurturing chickens, hanging with worms, planting trees and veggies, adding to the cob oven, tending to compost, adding mulch, and of course, tasting some of what Emerson has growing! We'll use these hands-on experiences, as well as a few games and songs, to help us learn what "Permaculture" IS. In addition, the group will choose and complete a major building project that we can accomplish within the week (e.g. building a bench, adding an arbor, or painting signs) so that they can leave behind a legacy.

Homesteading Skills

How self-reliant are you and your family? In this camp we will learn and practice a variety of different "homesteading" skills including how to make Sourdough bread in an outdoor cob oven, how to identify and dry wild medicinal tea, how to make soap and salve, how to crochet, and how to sew your own mask. All activities will take place outside in and around the garden.

BRAIN MONKEYS BUNDLE V: LEGO Steam Adventures and WeDo Robotics & LEGO Physics (Completed Grades K-2)

LEGO Steam Adventures and WeDO Robotics

Let's bring physics alive in a fun interactive way! Starting off with using basic LEGO building blocks, students will grow their understanding of gears, motion, measurement and problem solving. We will work together to complete building challenges before being introduced to the LEGO WeDo Robotics kits. Using these kits, we will build and program designs that dance, move, make sounds and so much more!

LEGO Physics

Using Science and Technology LEGO Engineering kits, campers will work in pairs to assemble part of a model. All participants will also experiment with their own designs to complete challenges that incorporate physical science principles. If you love LEGO's and want to know how to build creations that help you understand forces and motion, simple machines, energy, and magnetism, then this camp is for you!

Probability, Combinatorics, and Rational Choice (Completed Grades 5-8)

Imagine that 2% of the students at your school are infected with dragon pox, and you are given a blood test that detects dragon pox with 95% accuracy (meaning that 95% percent of positive results and 95% of negative results are accurate). The test indicates that you are infected. Should you believe it? In Probability, Combinatorics, and Rational Choice, students will learn basic mathematical principles while strengthening their creative problem-solving skills, working both collaboratively and independently to solve problems like these. The course aims to foster students' development into confident, joyful mathematicians; savvy consumers of information; and (ultimately) responsible, independent-minded citizens. (The answer to the question, by the way, is no—you should not believe the test, since there is a ~70% chance your result is a "false positive." If you're interested in figuring out why, you will probably enjoy this course.)
